

GPCA Key Legislative Accomplishments

1. **DEFEATED** efforts to impose sales tax on pest control services.
2. **SUCCESSFULLY KEPT** legislation that would have ended the ability of pest control service companies to have automatic renewal provisions in their contracts from being considered.
3. **DEFEATED** legislation that would have required pest control service companies to list the name of their insurance carrier in their contracts and monthly statements.
4. **SECURED** funding in the state budget for many years for Formosan termite research.
5. **WORKED** with the real estate industry to raise awareness on the part of potential home-buyers of the importance of getting a wood destroying organism inspection letter prior to closing .
