

It's Time to Register for Exhibits

The 20th Anniversary of the GPCA South Georgia Conference will once again be held at the Rural Development Conference Center in Tifton. Fashioned after our Athens agenda, the program will offer 2 days of WDO, HPC and specialty classes, some of which will run concurrently.

The exhibits will be placed in the back of the meeting area where all breaks will be held. We will provide a safe room for you to store valuables overnight. We will provide special recognition of exhibitors at the conference with individual introductions. Early exhibit registrations will be listed in our conference flyer. Additionally, we will print a thank you to all exhibitors in the November/December issue of the PROFILE.

Conference Highlights
